Parking: We are lucky enough to have 2hrs free parking on weekdays and all day free parking on weekends around the cricket green, next to the studio. For longer stays, there are also public car parks located off the high street, just a short walk away from the studio.

From the High Street: (4 minute walk) If you have parked in the public car parks, walk through to the high street and cross the to the other side. Turn right and walk along the high street past Hartley Antiques until you reach the Waggon and Horses pub on the corner. Follow the small lane round to the left past the duck pond, you will begin to see the cricket green and pavilion ahead of you, continue round to the left and you will see the Cricketer's Pub, take the small lane on the left (Harding's Lane) and in a short distance you will see Miss Maker's Sewing Studio in front of you.
